GOOD EYESIGHT

Is nature's greatest gift to mankind. Even though a hand or foot be missing, a man may still succeed in his calling, but brave indeed is he who persists after losing the sense of sight.

This precious gift of good vision should not be allowed to become impaired, either through misuse or neglect. If you have the slightest cause to suspect that your eyesight may be defective you should have an authoritive examination of your eyes made at once

Want a Million Dollars for Stadium

It is proposed to have the South Park Board issue a million dollars in bonds to build an immense "bowl" stadium for public amusements and games on the lake front. We just wonder if the people will actually vote this additional million dollar debt on themselves for an amusement, when they have voted down a bond issue for much needed school, fire and police houses? The fact is we have a class of enthusiastic "boosters," most of whom pay no taxes in the city, but live in the more aristocratic, but cheaper suburbs, who are continually trying to foist additional bond issue and taxes on Chicago under almost any old pretext—will the people stand for it?

Have a Really Happy Vacation at Home

No one in Chicago need leave the district to enjoy a splendid vacation. With our many beautiful parks, our miles of beach and lake front, and now our thousands of acres of "Forest Preserve" bounding the city in all directions, we can offer attractions that no sun dried Michigan or cold swamp of Wisconsin dare compare with. All of these attractive places are easy of access. The city parks everyone knows how to reach, and the surface or elevated will take you to most of the Forest Preserves. The Joliet electric will take you to Palos Park Preserve, the Kankakee line to the Sauk reservation lands near Chicago Heights, the Lake Street or Oak Park lines to the Des Plaines reservations and off through Riverside and the attractions there, while the Milwaukee Ave. line and the North Shore electric takes you to Indian Hill and a hundred historical spots in the northern preserves, or the Indiana dunes may be reached by electric road through Gary and South Chicago. You may arrange to camp and fish in many of these places or you can get home every night just as you wish, and you will have more real enjoyment and countless more dollars than if you hunted up some mosquito, malarial laden spot a hundred miles away.

The safest forms of investments have always been real estate mortgages secured by farm land. This is proved by the fact that the life insurance companies—the largest investors in the world—prefer farm loans over any other form of security. Producing farm land is better security than city realty.
The principal value of city property rests in improvements which sooner or later become antiquated or unsuited to the needs of a changing neighborhood The unforseen influx of undesirable neighbors adversely affects the value of city real estate. Farm land is free from both of these menaces, for every year shows a steady advance in the average value of farm property. It is this constantly increasing security which makes farm mortgages so desirable. For years we have been making farm mortgages and selling them to conservative investors in Chicago. We collect interest and principal without charge. That we have succeeded in building up a reputation for care and conservatism is apparent from the fact that we now have several hundred customers in Chicago and others in over 30 states.
Send for our Illustrated Booklet describing these safe investments.

Co-operation

EVERY telephone call is an inter-related service between the caller, the operator and the person called.

To get the best out of telephone service there must be co-operation among the three.

The person calling should

Make sure of the number by first consulting the telephone directory.

Speak distinctly, with the lips close to but not touching the mouthpiece.

The person called should answer promptly. Both should avoid long telephone conversations, which result in busy signals to other subscribers who may want to get your telephone or that of your correspondent.

We ask your co-operation in our efforts to make the service satisfactory.

Cleaner and Dyer

The Sign CLEANER & DYER over a shop does not always mean that they themselves do the cleaning and dyeing BECAUSE—of the several hundred small shops in Englewood there are but three plant owners.

In sending your garments to be cleaned you expect that they be returned to you in a clean and sanitary condition, so the shop that handles your garment should be large, light, airy and clean.

Some Facts About Ourselves

Our Englewood branch shop is without doubt the largest, lightest and most sanitary shop in the city, fully equipped to render speedy service.

Our cleaning plants at 25th and Cottage Grove Ave., are modern in every detail and sanitary, having passed the rigid examination of the U. S. Government before we were allowed to do their cleaning for them.

Cuckoo Brings Good Luck.

There is an old superstition prevalent in many parts of England that, if you turn the money you have in your pocket when first you hear the cuckoo in the spring, you will not suffer from lack of cash all through the year.

Great is Enthusiasm.

Enthusiasm comes with the revelation of true and satisfying objects of devotion, and it is enthusiasm that sets the powers free.—Woodrow Wilson.

The Romaika.

The Romaika is a modern Greek dance, dignified in character, and although not as popular as other forms of the Terpsichorean art, is much affected by certain sections of the populace.

Give It a Name.

A screwless corkscrew has been invented, a pointed shaft carrying a piece of metal on a pivot so that it falls at the right angle beneath a cork that it has been thrust through.

When You Are Chilled.

Chilled hands or feet should not be put near the fire or in hot water, as this causes the blood vessels to dilate too rapidly and chilblains result. The chilled members may be put in tepid water and a little hot water added from time to time, but the best plan is to warm by exercise and by rubbing.

Daily Thought.

So far as anyone shuns evil, so far he does good.—Swedenborg.

A Georgia Philosopher.

We're all great on sayin' "The devil's to pay," an' never payin' him. A feller wouldn't have to walk across the street to settle with him, as he's always close enough to give us a dig in the ribs, or pat us on the back, an' tell us we're the finest he ever made! —Atlanta Constitution.

Man and the Lower Animals.

Only about 5 per cent of the lower animals are defective at birth, a much lower ratio than among human beings.

HARVARD PHOTO PLAY HOUSE

Friday and Saturday, June 6th and 7th. Matinee Friday 2 to 4. Saturday Continuous 2 to 11. America's greatest favorite, Mary Pickford in a play of genuine comedy and homely sentiment, "Daddy Long-Legs." A story of laughter and pathos adapted from the famous stage success by Jean Webster. Artistically produced under the masterful direction of Marshall Neilan. "Daddy Long-Legs" on the screen is far funnier than when it was Jean Webster's novel, far more poetic than when it was Ruth Chatterton's stage success. It is Miss Pickford's biggest screen triumph and means the best evening's enjoyment you ever had.

Starting Saturday, June 7th, and every Saturday following the most thrilling and exciting serial "The Perils of Thunder Mountain" featuring Antonio Moreno and Carol Holloway.

Sunday, June 8th. Continuous 2 to 11 P. M. The ever popular star Earl Williams in "The Usurper." From the stage play of the same name made famous by the late Nat Goodwin, and none of its dramatic intensity or beauty of setting has been lost in its screening. This picture is strong in mystery element, and is truly a great role for this popular star. Also other attractions.

Monday, June 9th. Paramount presents Dorothy Gish in "I'll Get

Him Yet." It's a love story—and it is just as different from the ordinary kind as Dorothy Gish is different from the ordinary kind of a girl. There is a piquancy and a dash about this picture that suggests Tabasco sauce on ice cream. It will tickle any palate.

Tuesday and Wednesday, June 10th and 11th. Norma Talmadge in "The New Moon." Norma Talmadge as the Princess in "The New Moon" has one of the most interesting roles of her career. The story takes you to far-away Russia, where the women register as common property of the community. There is dancing and festivity in the palace, and the Princess, dancing in the arms of her Prince, is unaware of the lurking and unbidden guest. Then comes a blinding flash—disorder and death visit upon the scene, and the old moon goes to sleep on one of the greatest crimes in history. The action of the story carries you through the big cities and small towns of the vast empire. There is mystery, intrigue, lawlessness and sorrow, but in the end "The New Moon" finds the lovers united and it blesses them with its silvery light.

"THE SHEPHERD OF THE HILLS"
A Picturization of Harold Bell Wright's Novel

Scene from "The Shepherd of the Hills," All Next Week

The author, Harold Bell Wright, with Elsbery Reynolds, his publisher, has formed a company which will be known as the Harold Bell Wright Story-Picture Corporation, which will place upon the screen the best known of Mr. Wright's works. This announcement should be of interest not only to the countless millions of Mr. Wright's readers, as well as the leading motion picture producers, theatre managers and all others connected with the promotion of the motion picture industry, for in placing the stories of Mr. Wright in pictures a wealth of new and fine material will be given to the motion picture camera. Any one of this author's stories contains enough drama to make several motion pictures, and they should take a pre-eminent place in a field where a dearth of good material is often felt. The first story to be picturized is "The Shepherd of the Hills," perhaps the best loved of all Mr. Wright's stories. The author and his associates have been working for months on this production. The picture has been taken in the heart of the Ozarks and in California. It is a ten-reel superproduction with incidental music forming an evening's entertainment. Owing to the popularity of the novel with students, school children will be admitted to the daily 3:30 show for 11c, including war tax.

Dr. White Will Talk on "Anarchy or Law" Next Sunday

At the People's Liberal Church next Sunday morning at 10:30 Dr. R. A. White will preach on "Anarchy or Law," and a discussion will follow the sermon. At the present critical stage of the country, this subject cannot but be of intense interest, especially at the hands of one who has made so deep a study and spent so much time in investigating this and kindred subjects. An impromptu discussion will follow and others will have an opportunity of airing their views on the important subject. The big auditorium of the church is excellently well ventilated and will be comfortable no matter what the state of the weather outside. You will be cordially welcome. There will be no evening services at this church.

"The Creation"

During the past winter the splendid choir of the Normal Park Baptist Church has rendered, on one Sunday evening each month, one of the standard Sacred Cantatas or Oratorios. The last of the series, and it is planned to make it the crowning effort, will be sung Sunday evening at the church when the choir will present Haydn's great Oratorio "The Creation." The assisting soloists will be: Soprano, Mrs. Newell Mainwaring Finn; Tenor, Wm. Griswold Smith; and Baritone, George F. Gordon. Miss Charlotte Allen will be at the organ. The choir, under Wm. Griswold Smith's leadership, has built up a reputation as one of the finest musical organizations on the South Side, and all lovers of good music should hear it. All seats are free, and the public is most cordially invited. If you wish to encourage this kind of effort you will be present. The church is at the corner of Stewart Ave. and 70th St.

A Treat for the Kiddies

The "Kiddies" of the Protestant Children's Home, 6323 Yale Ave., were given a big treat last Saturday afternoon at Aryan Grotto Temple, Wabash Ave. and Eighth St. The Grotto had been holding six performances of a carnival and vaudeville to raise funds to take their band, drum and bugle corps Zouaves and degree team to the supreme council convention at Pittsburgh, June 15 to 20. Mr. Roy J. Battis, who is one of the officials of the Grotto, purchased 25 tickets and gave the children the time of their life. At the Grotto the officers, of whom Ben E. Sincere is Monarch, clubbed together and bought each child a box of crackerjack, bag of peanuts and chocolate bar, and sent them home rejoicing.

Knights of Columbus Carnival

The allied councils of Englewood, McHale and LaRabida Knights of Columbus have now in progress a gigantic carnival and bazaar at their club house, 6323 Harvard Ave. It opened last night and will be in progress tonight and tomorrow night. Its programs are varied and are musical and entertaining. Every form of enjoyment imaginable is offered those who attend, and a supreme good time assured, so you will lose out if you fail to attend at least one night. The proceeds are to be used in equipping the new club house and furnishing it for the entertainment of the members, over 700 of whom are now returning or have returned from duty overseas.

Camps for Boys

The first period is for high school boys. The second for all other boys, and the third period is especially for fellows 16 to 21 years of age. It is one of the best camps available for boys. The cost is only $12 for two weeks, plus transportation, which is $1.60 for the round trip. The camp manager, physical director and tent leaders are qualified camp men. Death of Mrs. B. E. Hoppin

Services were held at the home Friday and the remains taken to Springfield, Ill., for burial in Oak Ridge cemetery. Mrs. Hoppin was a most lovable Christian lady who enjoyed the confidence and esteem of a large circle of friends. She came to Chicago in 1875 and was prominent in the Chicago Woman's Club, the Englewood Woman's Club, The Fortnightly Club and in the Englewood Presbyterian Church. The happy old couple celebrated their 69th wedding anniversary only a few months ago. She is survived by her husband and two daughters, Mrs. Holmes and Mrs. Edward E. Bacon of Boston. Of Interest to Coal Buyers

Our advice to the coal buying public is get quality. Quality means a whole big lot, it means pure coal. Pure coal means no slate or stones, very little ash and no clinker. The results are lots of heat and satisfaction. Our 25 years' experience in the coal business taught us to buy the best grades of coal regardless of price. That's why our patrons are protected against inferior grades of coals. Quality and satisfaction are worth paying for and is the cheapest in the end. Whereby cheap and bad coal is very dear in the end. Any further information desired, we will gladly give it and assist you in any way possible, whether you buy or not. Phone Stewart 70. We cover Chicago. J. B. MEINER & SON, 71st and C. R. I. & P. R. R.
